FRIDAY, JULY 13, 1900.

Most of the gold democrats are falling into line for Bryan and Stev-

Hanna is going to put a big pad lock on Teddy's month. He's talk ing too much to suit the boss.

and that is that there will be three political parties that will support Bryan and Stevenson,

The traveling men are satisfied with the democratic anti-trust plank and ninety percent of their number will support Bryan and Stevenson.

The heroism with which the re publicans are laboring to keep im perialism in the background is the best assurance that it will stay at the front.

It isn't such a remarkable thing his support. to see a stump on a hill, but to see as big a hill as David B. on a stump will be something unique. Cleveland Press.

of the country.

Bryan is to be notified of his nomination at Indianapolis if the dispatches are correct. He will also take the stump instead of conducting a front porch campaign.

If the big wheat crop in Kansas is going to make the state solid for McKinley, the failure of that crop in Indiana and the Dakotas ought to do the other thing in those states.

hard blow when Webster Davis, a member of McKinley's cabinet, de- all parties. nounced the administration and declared his intention of supporting Bryan and Stevenson.

The Philadelphia Press says the democratic party was "not so united and it concedes that "the natural

the electoral vote, this fall, as published by the different parties, one is led to believe there are about fourty-five doubtful states in the union. The only trouble is to tell which is the most doubtful.

Among the leaders of the Chicago gold democrats four years ago, it is gratifying to note that ex Mayor John P. Hopkins, A. A Goodrich, Adolph Kraus and Judge Moran have announced their intention to support Bryan and Steven- tual purpose. Fort Wayne Journal

The trustees of Purdue university have elevated Dr. Stone to the presbeen vice-president for several years. He has in fact been the head of the institution for nearly two years. The trustees continue him in the work which he has al ready ably demonstrated his capa city for doing.

established at Chicago last week. It So are the Philadelphia Times and is the greatest paper in the middle the Boston Globe. west and has immense wealth back ot it. Mr. Hurst also publishes papers in New York and San Francisco. The Chicago American is a democratic paper and will be ardent in the support of Bryan and Steven-

who was General Palmer's running into training as an understudy for this year. General Buckner favors get all the glory there is in it and adopting a platform denouncing much valuable advertising for fufree silver and not nominating a ture events. ticket, leaving the gold democrats free to vote as they choose.

Richmond district, has written letters to John W. Kern and John Minor, democratic candidates for governor and auditor of state, respectively announcing that he intends voting the democratic ticket this year. He says that while he regards Bryan's financial policy as

old home at Richmond, Ind., and resume his law practice there.

office of assistant secretary of the papers. They are all highly pleased attack interior under McKinley, in order with the platform and candidates to champion the Boer cause an- and the harmonious manner in nounced at the Kansas City conven- which the work of the convention tion that he would vote for the dem- was performed, and they are not ocratic nominee, that he has quit whistling to keep up courage either One thing is practically certain the Republican party and quit it for good. He was once mayor of Kansas City. His speech was one of the oratorical efforts of the occasion.

> tenant governor in 1886 and who changing his party allegiance is reof the platform should command supporting the democratic ticket.

Judge C. L. Holtz, one of the leaders among the German-Americans, at Cleveland, Ohio, says he will take the stump in behalf of the Mr. Bryan holds the world's rec- democratic candidates in September. ord. He has been nominated more He was against the Chicago plattimes and by more parties than any form four years ago, and his antogpresidential candidate in the history onism to the democratic candidates was because of that. The Kansas City platform, he thinks, is broad enough for anybody.

Mr. Bryan gave some very good advice to voters at Lincoln. At the be disturbed. Sixteen-to-one is the of the doctor. ratification meeting of populists and ratio fixed by statute for the coinage silver republicans, he said: "There of gold and silver. The republicans is a privilege in being an American have both houses of congress and the dog when bitten. citizen, and there is a responsibility the president. Why don't they rewant every citizen to vote as he their power to get rid of 16 to would vote if he knew that his vote The Republican party received a would determine the next election. Mr. Bryan has struck a keynote for

express satisfaction with the ticket question of ratio. They differ as to nominated. Of course, there were many in each of these parties who preferred Towne for vice-president, for Bryan in 1896 as it is in 1900," but none object to the candidate nominated. The democrats who disappointments resulting from four bolted Bryan in 'oo express a will years of power" will have its effect. ingness to support the ticket this to I statute and should quit coining year. It is certain to be a general money at the ratio of 16 to 1. Until Judging from political forecasts of uniting against McKinleyism so far they do so their noise about 16 to as Marshall county is concerned.

> No figure like him has graced this age. Without wealth, without prestige, without political machinery, without the endorsement of the barons, this man came out of the west, fresh from virgin soil, to proclaim the rights of the people and freshen the pathway made by the founders of the repbblic. His strength with the people lies in his excellent address on the Fourth. His belief in their mutual interests, mutual honesty, mutual trust and mu-

Of the democratic papers that bolted Bryan in 1806, the Chicago Times, Ft. Wayne Staats-Zeitung, the Fourth. Winamac Democrat-Journal and Peru Sentinel will support Bryan this year. The Louisville Courier lournal, Henry Watterson's paper, acquiesces in the nominations. The New York World and Ottendorfer's Hurst's Chicago American was Staats-Zeitung are on the fence.

As a consolation for losing the vice-presidency, Charles Towne is to be made a prominent figure in the coming campaign in order that he may advance his reputation throughout the country, says Wm. E. Curtis, the Record correspond-General Simon Boliver Buckner, ent. It is proposed that he shall go mate on the national democratic Bryan and accompany the latter Creek sanitarium to receive treatment gold ticket in 1896, has come out upon all his oratorical tours. This against the nomination of a ticket will give Towne an opportunity to

torn off about two weeks ago, is heal Republican papers manifest great dissatisfaction over the work of the Ex-Congressman Johnson, of the Kansas City convention. They are displeased because Bryan was not surprised when the news came that mill, returned last Monday night. He he had again been renominated, but thinks he will be ready to commence simply went on he ping his little operation in a few days. son to fly his kite. They are displeased with the platform and displeased with Tillman who read the and noises in the head by Dr. Niehol platform. government. Mr. Johnson is now thing about the whole proceedings in St. Louis, but will return to his bad and seem to feel badly over it themselves-a thing very unbecoming and unnatural to people who have clear sailing to victory. It is today Webster Davis, who resigned the entirely different with democratic -Columbia City Post.

It is easily noticed that the political shifting this year is most favora ble to the democrats. After the Judge John C. Nelson, of Logans- republican national convention, not port democratic candidate for lieu- a single instance of a democrat bolted Bryan four years ago, has corded in the public press, but since declared that he will support Bryan the Kansas City convention, the and Stevenson this year. He says press tells of new recruits to Bryan he does not fear the 16 to 1 issue and Stevenson every issue. Able any more and insists that there are men who voted for McKinley four abundance of reasons why the rest years ago are now just as ardently is not difficult to discern that defeat awaits McKinley and Roosevelt next November.

In an interview on the political outlook John W. Kern, democratis candidate for governor of Indiana, says he has attended six national conventions, but none of them equaled the Kansas City convention in point of attendance, earnestness and enthusiasm. In speaking of 16 to 1 Mr. Kern said: "Our republi can prethren seem to be greatly disturbed about 16 to 1 and they should commensurate with the privilege. I peal the statute? They have it in and while they are donouncing it as idiotic they allow the statute to re main, and McKinley is going on coining millions of dollars every month -every dollar at the ratio of Marshall county democrats, free 16 to 1. There seems to be no difsilver republicans and populists all ference between the parties on the free coinage, as to trusts and imperialism, but on 16 to 1 they stand together. If the McKinley party wanted to make 16 to 1 an issue they ought to have repealed the 10 will be about the most ridiculous thing in politics."
